Re:	Patent Application for Clough	Dated:	March <u>10</u> 2006
Serial No.:	10/551,894	Art Unit:	
Filed:	3 March 2004	Examiner	
For:	Improved method of Resistance Management for Transgenic Crops	Action:	Information Disclosure

REMARKS

The documents identified on the attached for PTO-1449 have come to the attention of the undersigned in connection with the subject application. Copies of these documents are also attached, unless otherwise indicated below, and it is respectively requested that they be made of record in this proceeding. The identification of these documents is for the purpose of meeting Applicant's duty of disclosure under 37 C.F.R. 1.56 and is not intended to be an admission that any of these documents constitute prior art as to the invention disclosed in the subject application.

U.S. PATENT
